Partnering Opportunities

Why Partner with SAAHA?

SAAHA promotes industry and business in Arizona by it's thoughtful treatment of the future of the Arabian horse in Tucson, Pima County and Southern Arizona. Arizona's horse industry exceeds a **billion** dollars annually.

And did you know that Arabian horses play a major role in the Arizona horse industry? Pleasure riding, commercial training, horse shows, horse boarding, competitive trail riding, breeding sales, ranch and search & rescue work are all a part of the world of Arabians.

Nurturing an active youth membership within SAAHA teaches responsibility and maturity to the next generation. We are proud to support numerous youth organizations in the local region such as Therapeutic Riding of Tucson (TROT) and 4-H.
